Good Evening, Chair Alderton, Vice Chair Nolan, School Board Members, Student Representatives, Dr. Hutchings and the Community,

This evening, I would like to speak about the power of love. Our students and educators needs to see and hear more messages of Love

We see and hear haters all over this school division, hatred stirs up conflict, but love covers all wrong.

We should honor one another above ourselves. Love is the only thing that unites all of human existence; it inspires, encourages and lightens your heart when you need wisdom or reassurance.

“Love is patient, kind, it does not envy, it is not proud, it does not dishonor one another, its not easily angered, it keeps no record of wrongs. It always protects, always trusts, always hopes even in a pandemic when all of us are trying to do good.”

“Education is an act of love, and thus an act of courage.”

When you make decisions, do it with love.
