SUMMARY:

Continuing what has been a successful and productive process undertaken over the last couple of fiscal years, the School Board members worked through an activity, on September 22, 2022, to determine their top priorities for each goal area in the ACPS Strategic Plan. These FY 2024 priorities will guide the upcoming budget process for the Combined Funds, as well as the FY 2024-2033 Capital Improvement Program budget process.

BACKGROUND:

The ACPS Equity for All 2025 strategic plan was founded upon racial equity and serves as the overall roadmap for the budget priorities over subsequent years by setting the organizational vision, mission, core values, and goals. The budget priorities for the coming academic year should align to the strategic plan goals and the strategic resource allocation goal specifically serves to ensure that differentiated resources and supports are provided to schools and
