Hello all,

I just wanted to start and say what an incredible job Douglas Mac Arthur teachers have done so far! They have been totally accessible, kind, and engaging! I am so grateful for their efforts! I understand it is a long day for students; however, I need my children (grades 1st and 4th) to continue the synchronous learning throughout the day. They are way more engaged than when they have to complete asynchronous learning on Monday's. I am also a teacher for ACPS and have to work everyday. It is very difficult for me to teach my students and complete my work when my kids are not engaged in learning with their class and teachers. I think the school day is manageable how it is.

Thanks again ACPS!! I think we are doing great!!
