

Ad Hoc School Board Advisory Support Committee
Scope of Work

- Solicit feedback from current advisory committee members about their experience
- Review the Advisory Committee Handbook and process for orienting new committee members
- Make recommendations for how to improve recruitment and retention and increase diversity of advisory committee members
- Develop a process for the School Board to interact and engage with advisory committees to cultivate a shared vision and goals
- Consider if any additional advisory committees are needed
- Develop 2-3 SMART goals to support each of the ad hoc committee's recommended outcomes
