FROM: Gregory C. Hutchings, Jr., Ed.D., Superintendent of Schools

TO: The Honorable Ramee A. Gentry, Chair, and
Members of the Alexandria City School Board

TOPIC: Students with Disabilities Evaluation

SUMMARY:

It is imperative that the board is afforded the opportunity to discuss all board initiated audits and reports of programs prior to being released to the public. A public discussion with the board first will allow all board members an opportunity to have meaningful discourse about findings, recommendations and action steps. For this reason I am sharing the full report for your review prior to engaging in public discussion in October.

RECOMMENDATION:

The superintendent recommends that the School Board review the attached evaluation.
