No member of a threat assessment team may disclose any such information or use such information for any purpose other than evaluating threats to students or other school personnel.

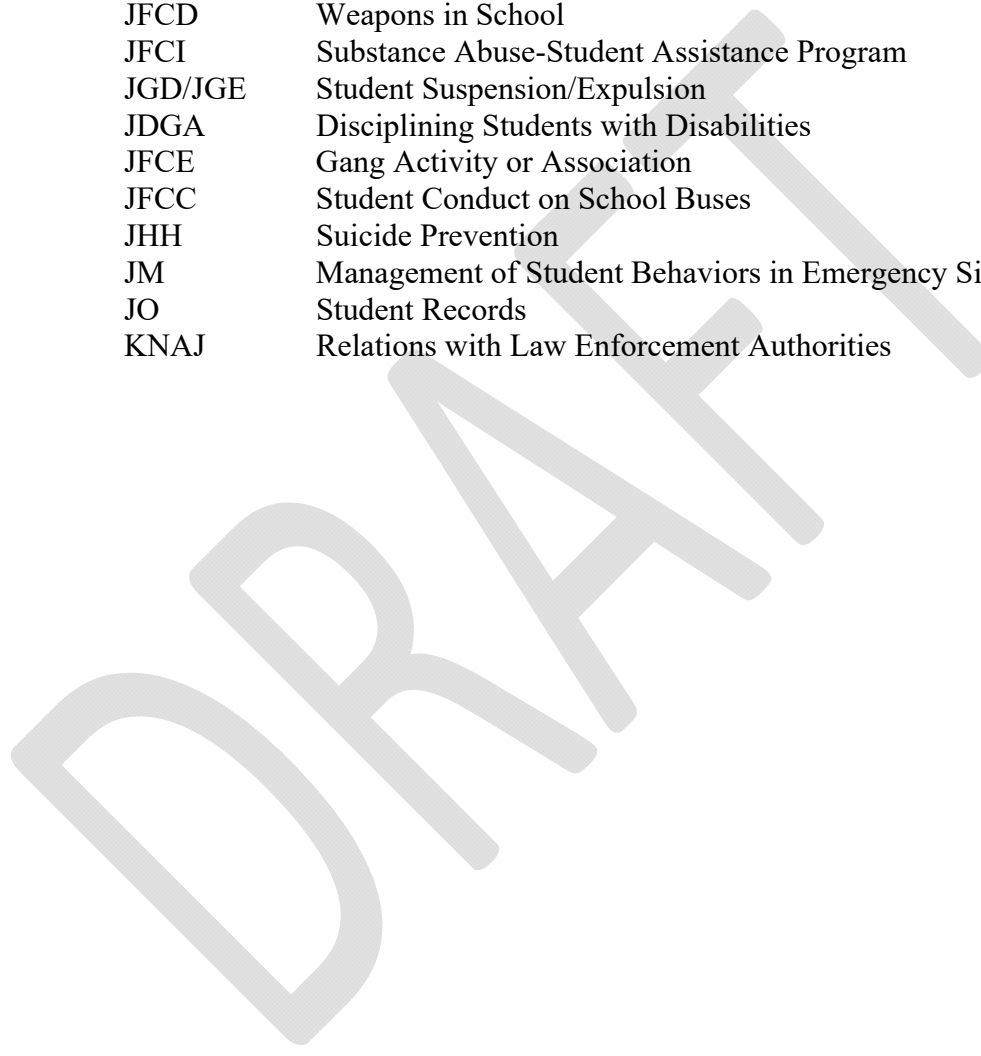

Upon a preliminary determination that a student poses a threat of violence or physical harm to self or others, a threat assessment team immediately reports its determination to Superintendent or superintendent’s designee. The Superintendent or superintendent’s designee immediately attempts to notify the student’s parent or legal guardian. Nothing in this policy precludes school division personnel from acting immediately to address an imminent threat.
