SUMMARY: The independent auditors from CliftonLarsonAllen LLP (CLA) have reviewed the Annual Comprehensive Financial Report (Financial Report) as prepared by ACPS financial staff and completed the FY 2022 annual financial report on December 20, 2022. This was conducted in accordance with the standards applicable to financial audits, including Government Auditing Standards issued by the Comptroller General of the United States and the specific standards of audits for local jurisdictions issued by the Auditor of Public Accounts (APA) of the Commonwealth of Virginia. The auditors’ primary focus is to obtain reasonable assurance about whether the financial statements are free of material misstatement and to ensure that internal controls as defined by the audit standards are in place.

The CLA auditors are prepared to discuss this report at the School Board meeting scheduled for February 2, 2023.

BACKGROUND: CliftonLarsonAllen LLP the City and Schools’ external auditors, have audited the Financial Report and issued an unmodified (or “clean”) opinion indicating that the financial statements fairly represented the financial position of ACPS as of June 30, 2022 (page 23).

Additionally, CLA has issued their letter to the School Board as required by the American Institute of Certified Public Accountants (AICPA) for all financial statement audits and their

report on the Division's internal control over financial reporting and on compliance and other matters (page 165). No significant deficiencies or material weaknesses of internal control or instances of noncompliance with certain provisions of laws, regulations, contracts or grant agreements or other matters were noted that could have a direct and material effect on the financial statement amounts.

The Financial Report follows the format prescribed by the Governmental Accounting Standards Board (GASB). It includes: (1) an introductory section which provides general information on the school division's structure and the services it provides; (2) a financial section which contains the basic financial statements as well as the independent auditor's report; and (3) a statistical section which provides a broad range of financial and demographic information useful in assessing ACPS' economic condition, much of it in the form of ten-year trend data.

The following key financial highlights are reflected in the report:

General Fund

For the fiscal year ended June 30, 2022, total revenues for the General Fund, were \$295.3 million, a 2.7% increase over FY 2021 actual revenues and \$3.1 million over the final budgeted revenues for FY 2022.

Total expenditures for the General Fund for FY 2022 were \$291.1 million, a 4.2% increase over FY 2021 actual expenditures and \$7.3 million less than final budgeted expenditures. Total other financing transfers from the General Fund, for the VPI program, were \$1.4 million for FY 2022 (Exhibit IV, page 46).

The City of Alexandria appropriation was \$239.4 million towards our General Fund expenditures for FY 2022, an increase of 2.3% or \$5.4 million over FY 2021 (Exhibit IV, page 46).

At June 30, 2022, the General Fund reported a total ending fund balance of \$24.4 million, an increase of \$2.8 million from FY 2021 (Exhibit IV, page 46). The fund balance is comprised of the following, as shown in Exhibit III, page 44:

- a) *Nonspendable*- The nonspendable portion of the fund balance amounts to \$2.2 million to cover prepaid items.
- b) *Committed*- The committed portion was \$9.3 million designated by the School Board for use in FY 2023.
- c) *Assigned*- The assigned portion was \$2.4 million, designated for various program encumbrances carried forward into FY 2023 from FY 2022.
- d) *Unassigned*- The unassigned portion was \$10.5 million, or 3.6% of total General Fund expenditures.

During the fiscal year ended June 30, 2022, ACPS adopted the new accounting standard, *Statement No. 87, Leasing*, issued by the Governmental Accounting Standards Board (GASB). This Statement establishes a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset and it requires the

recognition of certain lease assets and liabilities for leases that previously were classified as operating leases.

Grants and Special Projects Funds

Total revenues from Grants and Special Projects funds were \$35.1 million for FY 2022, which reflected an increase of \$11.8 million from FY 2021. During FY 2022, federal grant revenues increased \$10.8 million from FY 2021 to \$29.0 million, while state grant revenues increased by \$0.3 million from FY 2021 to \$4.7 million (Exhibit IV, page 46).

School Nutrition Fund

Total revenues in the School Nutrition fund were \$12.1 million for FY 2022, an increase of \$2.0 million from FY 2021. During FY 2022, federal and state revenues increased \$1.2 million from FY2021 to \$11.1 million and food service expenditures increased \$2.0 million from FY 2021 to \$10.6 million (Exhibit IV, page 46). The School Nutrition fund balance increased \$1.6 million in FY 2022 to \$5.9 million. The School Nutrition Fund is required to keep sufficient reserves on hand to fund three months of operations. The current fund balance level equates to approx. 6.7 months of operations.

Employees' Supplemental Retirement Plan

The plan year for the ACPS Supplemental Retirement Plan ended August 31, 2021. The financial status of this fund is strong. As of this plan year end, the Plan financial statements reflect a total pension liability of \$187.6 million and plan fiduciary net position of \$142.1 million, resulting in net pension liability of \$45.5 million (page 90). For the plan year ended August 31, 2021, the total pension liability increased \$31.6 million, primarily due to a decrease in the plan discount rate from 5.50% to 4.50%. Since January 2013, no employer contributions are being made to the Plan. All contributions made to the Plan were by employees, at the rate of 1.50% of payroll, and totaled \$2.9 million for the fiscal year ended June 30, 2022. During FY 2022, total Plan additions were negative -\$7.3 million, which reflected employee contributions of \$2.7 million and net investment losses of \$10.1 million. Total fund deductions were \$6.8 million and consisted primarily of retiree benefit payments of \$6.6 million (Exhibit XV, page 142).

Virginia Retirement System (VRS) Pension Plans

The *net pension asset* for ACPS' portion of the *VRS Political Subdivision Retirement Plan*, totaled \$13.1 million for FY 2022, compared to \$3.4 million for FY 2021. Net pension assets are created when total pension plan assets exceed corresponding total pension liabilities (Exhibit XIII-2, page 130).

The *net pension liability* for ACPS' share of the *VRS Teacher Employers Retirement Plan*, totaled \$142.3 million for FY 2022, compared to \$268.3 million for FY 2021 (Exhibit XIII-3, page 131). Net pension liabilities are created when total pension liabilities are greater than the corresponding accumulated pension plan assets. ACPS is not able to independently, implement a financial plan to address this (unfunded) net pension liability as annual VRS contribution rates are set solely by the Virginia General Assembly. For the VRS Teachers Plan, the total (unfunded) net pension liability, including all Virginia school districts, was \$7.8 billion at June 30, 2022 (the most recent year reported), compared to \$14.6 billion for the prior year.

Other Post-Employment Benefits Trust Fund (OPEB)

As of June 30, 2022, the ACPS Other Post-Employment Benefits (OPEB) Trust fund reflected total net position of \$26.5 million, a decrease of \$2.7 million from FY 2021 (Exhibit XIV, page 141).

ACPS contributed \$1.7 million to OPEB during FY2022 towards the cost of retiree health premium subsidies in the current fiscal year, while net investment losses totaled \$6.5 million.

Total fund deductions were \$1.8 million and consisted primarily of healthcare benefit payments made to the Health Benefits Fund to subsidize current retiree health coverage (Exhibit XV, page 142).

Health Benefits Fund

For FY 2022, total revenues in the Health Benefits Fund were \$34.6 million, and total expenses were \$33.4 million. At June 30, 2022, the Health Benefits Fund net position was \$12.1 million (Exhibit V, page 48). This reflected an increase of \$1.1 million from FY 2021 (Exhibit VI, page 49).
