Robert Falconi spear-headed and led Loudoun County Schools' obfuscation, opacity, and criminality when conspiring to cover-up malfeasance surrounding the sexual assaults of two students by one perpetrator. ACPS' hiring this attorney is nothing short of horrifying and disgusting. The Superintendent and the School Board should be ashamed. It is an act demonstrating allegiances to only yourselves and power – divorced from any interest in serving students and parents. Mr. Falconi's misconduct is captured in the open source special grand jury report that you all are clearly aware exists.

His hiring is the ultimate dismissal of parents and indicates that the Superintendent and the School Board desire to hire an attorney that will choose the path of devotion to you all as individuals at the expense of the students you serve.

Any sympathy I had for ACPS leadership and the School Board for having to tackle the multidimensional issues and obstacles to successfully running this school district is obliterated by this hiring decision. You all have made your allegiances and intentions clear.
