

## SCHOOL MEALS AND SNACKS

The Alexandria City School Board promotes high-quality school meals and snacks, recognizes that students need adequate, nourishing food in order to learn, grow, and maintain good health. It strives to provide an environment conducive to good health by supporting nutrition education and physical education. To reinforce the school division's nutrition education program, foods sold during regular school hours (on school premises) will follow the [Healthy, Hunger-Free Kids Act of 2010](#).

Additionally, snacks and fundraisers during regular school hours and on school premises will follow the USDA's [Smart Snacks in School standards](#), unless qualifying for a "competitive foods" exemption as described in Regulation JHCH-R.
