Motion passed.

During **January** meeting...we tabled discussion on the following:

****Should we raise the number of inductees for future classes in order to "catch up" with the amount of nominations we have?**

Kamilah Lawson moved to table the discussion about expanding the number of individual nominees until the February meeting. Tracey Roberson seconded. Committee voted unanimously to table discussion.

Clarification: There was no clear motion set by Michael J, only ideas put forth. In discussion, it was called "a motion" on the floor. Then Michael J. withdrew his "motion" and clarified it below.
