**SUMMARY**

The attached presentation provides an overview of the Cross-Functional Planning Teams (CFPTs) accomplishments since the School Board meeting on Friday, June 26, 2020. It also includes a description of current activities and actions essential for successfully reopening schools and buildings. Efforts to include the voices of many diverse stakeholders are also described within the presentation. The presentation also includes the list of CFPT [members](#), [workbook samples](#), as well as the [PowerPoint presentation](#) from a previous CFPT meeting. Finally, upcoming deliverables related to our reopening plan are introduced.

**BACKGROUND**

Since the closing of our school buildings resulting from the COVID-19 Pandemic, Alexandria City Public Schools (ACPS) continued to provide students and families with various educational opportunities. Our school division has provided students and families access to technology, learning materials, educational resources, meals, and support services during the crisis. As you know, our *Enhanced Continuity of Learning Plan 1.0* addressed student and staff needs following the school buildings closing; *Enhanced Continuity of Learning Plan 2.0* extended and redefined educational resources available to students, including both instructional packets, synchronous learning, asynchronous learning, and online lessons; *Continuity of Learning Plan 3.0: Summer Learning through Engagement and Enrichment for All Plan* will address learning loss, engagement, and enrichment; and the *Enhanced Continuity of Learning Plan 4.0: Reimagining Schools* will guide the reopening of our schools.

## BOARD MEMO

The development of *ACPS' Enhanced Continuity of Learning Plan 4.0: Reimagining Schools* is aligned with global, national, federal, state, and local guidelines. The plan will ensure a safe and healthy learning environment for our students, staff, and families. As we work to reopen schools, it is critical that we continue to seek feedback from our leaders, staff, students, families, and community so that we can collectively put forth our very best ideas and actions for what is possible, achievable, and essential when reopening. Ultimately, the plan will address the critical components for reopening schools and buildings.

### RECOMMENDATION

The Superintendent recommends that the School Board review the information within this memorandum and attachment.

### IMPACT

ACPS will develop and implement a reopening plan to ensure that all students and staff are healthy, safe, and engaged during the reopening process including following required health and sanitation procedures. The reopening plan will also ensure that students receive personalized support and interventions to address any learning losses resulting from school closings.
