SUMMARY:

This memo provides an update of Community Use of Facilities for September 2020. To provide context, non-essential use of all ACPS facilities was suspended as of March 13, 2020 (due to school closure in light of Covid-19). In September 2020, essential use of our facilities by Virtual Plus+ partners (childcare services) was permitted, as well as an outdoor event using the George Washington Middle School parking lot.

BACKGROUND:

School Board Policy KG, Community Use of Facilities, requires the preparation and issuance of a monthly community use of facilities report. Monthly reports will provide an overview of both ACPS-related and non-ACPS related facilities use.

RECOMMENDATION:

The Superintendent recommends that the School Board review and accept the September 2020 Community Use of Facilities monthly report.
