SUMMARY:

This presentation provides an update on COVID-19 health and safety measures including, but not limited to, current positive case data, recent vaccination data, weekly testing and safety reminders.

BACKGROUND:

The COVID-19 case data for the City of Alexandria has been increasing, and the city is experiencing a high level of community transmission. As ACPS returns to five-days a week of in-person learning, additional public health safety measures must be taken to ensure the health and safety of all staff and students.

RECOMMENDATION:

The Superintendent recommends that the School Board review the updates to the COVID-19 health and safety measures.

BOARD MEMO

IMPACT:

This review safeguards the public health of the school division by establishing a health monitoring requirement for students.
