SUMMARY: Preliminary year- to-date report of revenue and expenditures as of June 30, 2019.

BACKGROUND: School Board Policy DI, Financial Accounting and Reporting, requires the preparation and issuance of monthly financial reports. Monthly reports are provided to the School Board for the three primary funds covering school division operations: Operating Fund, Grants and Special Projects Fund, and School Nutrition Fund.

These preliminary financial reports show the FY 2019 final budget as adopted by the School Board on June 07, 2018, the revised budget of record as of June 30, 2019 including all adjustments and transfers, all actual revenue earned and expenditures incurred as of June 30, 2019, and all encumbrances booked in this same period. Also included are the remaining balances for each revenue and expenditure line item. These reports are considered preliminary because the accounting period was not officially closed at the time this report was prepared.

A separate report showing all budget transfers exceeding \$25,000 for the reporting month is attached. There are two budget transfers meeting this criterion in June. Operating Funds were transferred within Technology Services for laptop replacement for Teachers at various schools and from Division-wide FSD Reserve to Division-wide HR to fund ExecuTime Time & Attendance modules in MUNIS; replacing Time Clock Plus (TCP).
