

REPORTING OF HAZARDS

Any employee who discovers a dangerous condition should report the condition immediately to the employee's supervisor, the Superintendent, or the Superintendent's designee.

The Superintendent names a designee to evaluate and label the toxicity of materials, including but not limited to art materials, used in the Division in accordance with criteria established by the Virginia Department of Education (VDOE). All materials which meet the criteria as toxic shall be so labeled. Such materials are not used in kindergarten through grade 5.

Staff members [In accordance with Regulation EBAA-R/GBDA-R, employees](#) submit [all](#) relevant documentation [regarding hazards and the use of hazardous chemicals](#) to the Office of Safety and Security Services through the school principal.
