BACKGROUND: School Board Policy DI, Financial Accounting and Reporting, requires the preparation and issuance of monthly financial reports. Monthly reports are provided to the School Board for the three primary funds covering school division operations: Operating Fund, Grants and Special Projects Fund, and School Nutrition Fund.

These preliminary financial reports show the FY 2022 Final Budget as adopted by the School Board on June 03, 2021, the revised budget of record as of June 30, 2022 including all adjustments and transfers, all actual revenue earned and expenditures incurred, and all encumbrances booked in this same period. Also included are the remaining balances for each revenue and expenditure line item. These reports are considered preliminary because the accounting period was not officially closed at the time this report was prepared.

A separate report showing all budget transfers exceeding \$25,000 for the reporting month is not
