

## MOU SRO Quarterly Performance Report February 2023

### **Overview**

Quarterly meetings between Alexandria City Public Schools (ACPS) and the Alexandria Police Department (APD) are required as part of the SLEP Memorandum of Understanding (November 2020). Meetings are scheduled to occur August, November, February and May. The most recent meeting occurred on Thursday, February 9, 2023. This report period includes November 2022 through January 2023. The next meeting will occur May 2023.

After each quarterly meeting, a subsequent report is to be completed and shared to provide updates on:

- **Section I: VDOE Annual Discipline, Crime and Violence Report.** As noted in the June 2021 SRO Quarterly Update, the annual VDOE Discipline, Crime and Violence report has been replaced by the VDOE Student Behavior Administrative Response (SBAR) report. SBAR incidents are recorded through the end of the school year. Public availability to annual reports is made by VDOE. If there are any questions on this item, please contact the Department of Student Services and Equity.
- **Section II: Police Statistical Reports.** This information is in relation to the Calls for Service form; more details on this item noted later in this document.
- **Section III: VDOE School Climate Survey.** This information is in relation to the required Code of Virginia School Safety Survey that is completed annually.
- **Section IV: School Resource Officer (SRO) Performance Items.** This information includes SRO attendance and incident reporting.
- **Section V: Educational Activities with Students:** This information includes any educational offerings by SRO's for students.

For context, the schools where SRO's are assigned are:

- Alexandria City High School – King Street Campus (2)
- Alexandria City High School – Minnie Howard Campus (1)
- Francis C. Hammond Middle School (1)
- George Washington Middle School (1)

**Section III: VDOE School Climate Survey (High School Only)**

This section has not changed since the last reporting period. The last Virginia School Survey of Climate and Working Conditions was completed in Spring 2022. Staff and students for grades 9 through 12 were surveyed this year during the open period of February 7, 2022 to March 7, 2022. This annual survey is a component of the school safety audit which school divisions are required to submit to the Virginia Center for School and Campus Safety, according to § 22.1-279.8.B of the Code of Virginia. This survey, conducted jointly by the Virginia Department of Education (VDOE) and the Virginia Department of Criminal Justice Services (DCJS) is available on the Safety & Security Services website.
