Dear Chair Rief and School Board Members,

My name is Johnny Lin. I was an educator in Alexandria for 11 years. I chose to become an educator because I believe the future of our world is important, and the children of today are the leaders of tomorrow.

Fostering a healthy and supportive environment for all educators is pivotal in ensuring the success of our schools. I believe educators should have a meaningful voice in the decisions made about us and our working conditions. In this regard, we propose the following revisions to the draft collective bargaining resolution:

Collective bargaining for ALL staff (including licensed staff, support staff, and building administrators)

No restrictions on bargaining topics

Normal, democratic election

No union-busting provisions

I look forward to hearing about the collaboration on this important issue and a collective bargaining resolution that truly reflects the values and aspirations of our educational community.

Thank you for your attention to this vital matter. Sincerely,

Johnny Lin
