ACPS Redistricting Update

As you may be aware, Alexandria City Public Schools is in the process of redistricting. The process began in earnest in September when the Redistricting Review Committee started its GIS mapping work to redraw boundaries. The proposed new boundaries are expected to be reviewed and approved by the School Board in late January 2017. **The new boundaries will go into effect for the 2018-19 school year.**

All meetings are open to the public. We want to hear from you throughout this process.
