

SCHOOL ADMISSION REGULATIONS

No person shall be charged tuition for admission or enrollment in the Alexandria City Public Schools (ACPS), whether on a full-time or part-time basis, who is eligible for admission under Policies JEC or JECA. School officials may not inquire into the student's citizenship or visa status in determining eligibility for tuition-free enrollment in the school division.

However, the school division may admit and charge tuition to a student who:

- A. Is a resident of the school division but not of school age;
- B. Is of school age and not a resident of Virginia but is temporarily living with a non-parent who resides within the school division, except as otherwise provided by law;
- C. Is of school age and resides beyond the boundaries of Virginia but near thereto in a state or the District of Columbia, which grants equal attendance privileges to residents of the Commonwealth;
- D. Is of school age and attending a school in the Division pursuant to a foreign student exchange program approved by the School Board;
- E. Is a resident of the Commonwealth but not of the school division, except as provided in Policy JEC;
- F. Is of school age and was enrolled in a public school within the Division as a domiciled resident of the Commonwealth, and has been required as a result of military or federal orders issued to his/her parents/guardians to relocate and reside on federal property in another state or the District of Columbia, where such state or the District of Columbia is contiguous to the school division; or
- G. Is of school age and residing within the school division and is enrolled in summer programs other than remediation required under §22.1-253:13.1, or is enrolled in local initiatives or programs not required by the Standards of Quality or the Standards of Accreditation.

Eligibility for consideration does not signify acceptance of the admission application of a student. Each application for admission will be considered on an individual basis. The residency of persons in the above categories who reside in housing or temporary shelter, or on property located in multiple jurisdictions, shall be determined in the manner set forth in Policy JEC.

Foreign students with an F-1 immigration status or who obtain F-1 student visas shall not be admitted in the Division's elementary schools or publicly funded adult education programs. Such students may be admitted, for a period of up to twelve (12) months, in the Division's secondary schools only if they pre-pay the full, unsubsidized per capita cost of the education.

Procedure for Admission

The following procedure shall be followed for application and review of applications for admission of students.

A parent or guardian of a student shall apply for admission on behalf of his/her child by completing the school division application. The application form shall contain information and agreements including, but not limited to:

- the current legal residence of the child and the school division in which he/she is currently enrolled;
- the child's unique student identification number, if applicable;
- the basis for requesting admission;
- the specific building and grade-level (elementary) or course offerings (secondary) in which the student desires to be enrolled if accepted by the Division; and
- the agreement that the student is subject to all policies, regulations, and guidelines of the school division, including the Code of Student Conduct.

Within fifteen (15) calendar days of receipt of the complete application and required documentation, ACPS shall provide the applicants with written notification of the approval or denial of the application. If the student is to be admitted, the Superintendent shall recommend the admission to the School Board, and ACPS shall notify the school division previously attended by the student to make necessary arrangements for the transfer of student records. The notification of admission shall state the period for which the student is accepted, or any subsequent condition that could cause the acceptance to be terminated.

If the application is denied, ACPS shall notify the parent or guardian of the right to have the transfer reviewed by sending a written request to the Superintendent or designee within seven (7) calendar days. Applications denied based upon the student's suspension, expulsion, or withdrawal of admission shall be reviewed as provided in Policy JEC. For all other denials of admission, the Superintendent or designee shall respond in writing to the request for review within ten (10) calendar days. If the request is denied, the Superintendent or designee shall notify the parent/guardian of the right to petition the School Board, upon five (5) calendar days' prior notice, for review of the decision and to have a hearing before the Board at its next regular meeting. Following the hearing by the Board, a final decision shall be promptly communicated to the parent/guardian in writing. If review is not requested within the timelines specified, the recommended denial of the request for admission shall be submitted to the Board at its next regular meeting.

The parent and kinship care guardian must complete the Kinship Care Affidavit (A and B) and attach all supporting documentation. A current Kinship Care Affidavit and supporting documentation must be filled out annually at least 2 weeks prior to the start of school each year. In the event that the student has a change in custody or care, it is the responsibility of the parent/legal guardian to notify the school within thirty (30) calendar days. Separate affidavits are required in instances of multiple students.

Residency Review

ACPS may require, after initial enrollment, updated documentation of residency in the City of Alexandria. In addition to individual verification, ACPS reserves the right to initiate specific grade-level or school-wide residency verification activities. The burden of providing evidence of continued residence within the City of Alexandria is on the parent/legal guardian, adult student or individual acting on behalf of the student.

ACPS may revoke a finding of residency if it becomes aware of evidence showing that a student and/or parent/legal guardian is not a bona fide resident of the City of Alexandria, has changed residency to another locality, or made false statements concerning custody, guardianship or kinship care. Any person(s) who knowingly makes a false statement concerning the residency of a student in ACPS for the purposes of convenience or avoiding tuition charges may be guilty of a Class 4 Misdemeanor, under § 22.1-264.1 of the Code of Virginia. Additionally, they may be held liable to ACPS, as a result of making false statements, for tuition during the time that the student was enrolled. Any decision by a school administrator or the Residency Verification Specialist (RVS) to deny or revoke a finding of residency may be appealed to the Department of Student Services, Alternative Programs and Equity in writing within five (5) calendar days.
