Talented and Gifted Advisory Committee Guest Identification and Testing Sub-Committee

April 6, 2021 Minutes

Meeting: April 6, 2021, 7pm @ Zoom Webinar

TAGAC Members Present: Daphney Denerville-Davis, Julia Egy (chair), Asha Mede

Old Business:

None – First meeting of the sub-committee; approval of the minutes from the meeting March 23, 2021

New Business:

The sub-committee discussed the Naglieri Nonverbal Ability Test (NNAT). The subcommittee members shared notes taken from various presentations given by Dr. Naglieri. Members discussed how to schedule drafting of the report - focusing on the NNAT first and then moving on to the CogAT.

The sub-committee scheduled the next meeting for 27 April 2021 at 7pm. The subcommittee determined that it would finish the Naglieri portion of the report at that time. Members will then move on to the CogAt and discuss that portion during our first subcommittee meeting in May. The subcommittee then adjourned the meeting.
