

School Board Member Feedback

Performance Indicator 1		
15-Aug	Veronica Nolan	We also said we'd include the process of the strategic plan, development of mission, vision, goals....and then after this year we'll ensure the mission, vision, goals are infused in budget/evaluations and monitoring. We should also include a presentation of the current strategic plan at this year's school board meetings in order to close it out.
21-Aug	Gregory Hutchings	This is included in the section above under the recommendation section.
21-Aug	Veronica Nolan	Are we going to include completion of this exercise as a metric to measure/show success?
21-Aug	Gregory Hutchings	Yes I was under the impression that it will be included in the rating rubric
30-Aug	Michelle Rief	(Indicator 1.7) Can we include ACPS 2020 KPI 4.1.1 "% of families and community members reporting that ACPS provides optimal learning environments," and KPI 1.11.2 "Perceptions on the TELL Survey of the schools as a positive and engaging environment for learning"?
Performance Indicator 2		
21-Aug	Meagan Alderton	(Indicator 2.5 and 2.7) Can we include ACPS 2020 KPI 4.1.1 "% of families and community members reporting that ACPS provides optimal learning environments," and KPI 1.11.2 "Perceptions on the TELL Survey of the schools as a positive and engaging environment for learning"?
21-Aug	Gregory Hutchings	This is an area that we still need consistency and must identify specific division-wide evidenced based intervention assessments prior to including in annual reports
Performance Indicator 3		
30-Aug	Michelle Rief	(Indicator 3.5) High ratios of computers and access to high speed internet alone do not "maximize student learning." What indicators do we have that these tools and our online subscriptions are supporting the curriculum and positively impacting student achievement?
Performance Indicator 4		
30-Aug	Michelle Rief	(Indicator 4.1) Can we include ACPS 2020 KPI 4.2.1 "% of projects/repairs addressed within established timeframes"?
30-Aug	Michelle Rief	(Indicator 4.3) Can we include ACPS 2020 KPI 3.6.1 "% of eligible licensed staff evaluation processes completed on time," and KPI 3.6.2 "% of eligible support staff employees with documented evaluations completed on time"?
Performance Indicator 5		
30-Aug	Heather Thornton	--Under Sample Performance Indicator #5.2, there is a KPI for customer relations described as "establishing a streamlined customer relations management system for delivering information including crisis communications and feedback from stakeholders." May you please clarify exactly what is envisioned for this system? Are we envisioning a system similar to the City's <i>Call, Click, Connect</i> ?
Performance Indicator 7		
30-Aug	Michelle Rief	Can we add VDOE Performance Standard 7.6 "Provides evidence that students in all subgroups are meeting acceptable and measurable student academic progress"? We can use ACPS 2020 KPI 1.2.3 "On-Time Graduation Rates" and/or 1.3 "Disproportionality" and/or 1.4 "Educational Equity."
General Comments:		
	Margaret Lorber	Is in general agreement with the document, however, wanted to be sure that positive comments would come first (before) comments that are less so.
