TO: The Honorable Ramee A. Gentry, Chair, and Members of the Alexandria City School Board

TOPIC: FY 2019 Budget Process Resolution and Rules of Engagement

BACKGROUND: Each year, the School Board establishes the process by which the Capital Improvement Program (CIP) and Combined Funds budgets will be developed, discussed, amended and ultimately approved through the adoption of a budget process resolution and the associated rules of engagement. The rules of engagement were developed and approved two years ago to establish written guidelines that all School Board members must follow throughout the budget process regarding the submission of budget questions and add/delete recommendations.

SUMMARY: The FY 2019 Budget Process Resolution and Rules of Engagement remain consistent with last year's versions. Minor changes were made to clarify the number of co-sponsors required for an add-delete item to be prioritized. Additional dates were added to include further details about the co-sponsorship and budget question timelines.

The FY 2019 Budget Process Resolution and Rules of Engagement were presented to the Board for information during the September 14, 2017 School Board Work Session.

RECOMMENDATION: The Superintendent recommends that the School Board approve the FY 2019 Budget Process Resolution and Rules of Engagement.

IMPACT: Adopting the FY 2019 Budget Process Resolution and Rules of Engagement will clarify the roles and responsibilities of the Board and Staff throughout the annual budget process. Additionally, these documents provide greater transparency to the community and other stakeholders.
