

Are you a student, staff member, family member or community member?	With which of these racial categories do you identify?	I believe the weapons abatement programs should be implementd at elementary and K-8 school locations.	I believe that the weapons abatement pilot program supports a safer school environment.	I/My student feel(s) more safe at school/work because of the weapons abatement pilot program.	I believe the weapons abatement screening process takes too long.	I believe the weapons abatement pilot program should continue at ACPS secondary locations.
