The Superintendent designates a non-restroom location in each school division facility as an area in which any mother who is employed by the Alexandria City Public Schools or enrolled as a student in the division may take breaks of reasonable length during the school day to express milk to feed their child. The area must be shielded from public view.

Adopted: June 11, 2015

Legal Ref.: Code of Virginia, 1950, as amended, § 22.1-79.6.

LACTATION SUPPORT

The Superintendent ~~shall~~ designates a non-restroom location in each school division facility as an area in which any mother who is employed by the Alexandria City Public Schools or enrolled as a student in the division may take breaks of reasonable length during the school day to express milk to feed ~~her~~ their child. The area must be shielded from public view.

Adopted: June 11, 2015

Legal Ref.: Code of Virginia, 1950, as amended, § ~~22.1-79.6~~ 22.1-79.6.

Commented [1]: This is not required under code but is probably a best practice.

Commented [2]: The VSBA model policy (and therefore the code) says "feed her child until the child reaches the age of one." The ACPS policy is more inclusive which is fine. Just wanted everyone to know.
