SUMMARY:

This memo provides an update of Community Use of Facilities for February 2021. To provide context, non-essential use of all ACPS facilities was suspended as of March 13, 2020 (due to school closure in light of Covid-19). In February 2021, we continued to host childcare operations within our facilities as well as vaccination POD's.

No funding was collected for use of schools in February 2021.

BACKGROUND:

School Board Policy KG, Community Use of Facilities, requires the preparation and issuance of a monthly community use of facilities report. Monthly reports will provide an overview of both ACPS-related and non-ACPS related facilities use.

RECOMMENDATION:

The Superintendent recommends that the School Board review and accept the February 2021 Community Use of Facilities monthly report.

IMPACT:

Use of our facilities has provided ACPS families onsite support during Virtual Plus+ learning period, in addition to contributing to reducing the spread of the coronavirus throughout the community.
