1 REGULATIONS FOR PUBLIC COMMUNICATIONS WITH THE SCHOOL BOARD

2

7

Members of the community may present their views on issues of public concern which relate to the operation of Alexandria City Public Schools (ACPS), either by submitting written or electronic comments to members of the Alexandria City School Board, or by addressing the Board during the time periods designated for public comments at Board meetings or during public hearings.

8 Written Comments

9 Comments may be presented to the Board at any time by emailing such material to: 10 boardclerk@acps.k12.va.us. Comments may also be addressed to the entire Board at 11 board@acps.k12.va.us, or to individual Board Members at their email addresses listed on the 12 ACPS website. If comments are provided in a language other than English, they will be translated 13 by ACPS and provided to the Board.

14

15 Public Comments at Board Meetings or Public Hearings

16 The purpose of Board meetings is to allow the Board to conduct public business in an orderly and 17 constructive manner. With the exception of certain public hearings, the Board is not required to

18 provide public comment time but does so in order to receive the viewpoints of the community on

19 general issues of public concern related to the operation of the school division.

20

21 Individuals may speak at regular board meetings on agenda items or non-agenda subjects which

relate to the operation of the school division. Comments during public hearings must be confined

to the subject of the hearing. Public comments are typically not accepted at work sessions.

24

Generally, Board members do not respond to public comment during a meeting or hearing. If follow-up is required due to the nature of the comments, the Chair of the Board (Chair) will work

27 with the Superintendent and School Board Clerk (Clerk) to respond accordingly following the

- 28 Board meeting.
- 29

30 The following rules are intended to minimize or avoid disruption, confine speakers to topics related

to the operation of the school division, and to balance the Board's informational needs with limited

- 32 time and available resources.
- 33

34 Advance Request Procedures

Members of the public who wish to address the Board at a Board Meeting or Public Hearing may sign up in one of two ways:

- Those wishing to address the Board virtually should notify the Clerk by 12:00 noon on the day before the meeting. The clerk's contact information is available on the ACPS website and in the Contact Information section of this regulation.
- Those wishing to address the Board in person may notify the Clerk by 12:00 noon on the day before the meeting or may sign up in person between 5:45 and 6:15 PM on the day of the meeting. The in-person sign up will be in the Board room. A minimum of five speaking slots will be reserved for in person sign up on the day of the meeting.
- 44

Only individuals who have signed up will be permitted to speak. The Chair may make exceptions
for individuals who have a valid reason for not being able to meet the established deadlines.

- 47 Requests for an exception should be provided to the Clerk.
- 48

All speakers must provide the Clerk with their name, available contact information including
(email address, home address and phone number), any required accommodations, and the agenda
item or other issue of public concern about which they will be speaking.

52

53 Speakers who require accommodations such as translation services are requested to notify the 54 Clerk 48 hours prior to the meeting so ACPS can arrange for a translator. Speakers may instead 55 bring a translator or provide the comments in writing. Comments provided in English will be read 56 by the Clerk of the Board or their designee during the public comment period. Comments provided

- in a language other than English will be translated by ACPS and provided to the Board after themeeting.
- 59

The Board encourages speakers to provide a written copy of their comments and supporting
 documentation. Speakers may email such material to the Clerk at boardclerk@acps.k12.va.us. If

- 62 comments are provided in a language other than English, they will be translated by ACPS and
- 63 provided to the Board.
- 64

65 Order of Speakers

- All persons who have signed up to speak with the Clerk according to the established deadlines,
- and have been approved to speak, are permitted to speak during the Board meeting in the regular
 period designated for Communications and Addresses to the Board, or during the public comment
- period designated for Communications and Addresses to the Board, or during the publicportion of a public hearing.
- 70

71 Students are generally placed at the beginning of the speaker queue. Other speakers are placed on

- a list in the order in which they notify the Clerk or at the discretion of the Chair.
- 73

74 While the Board will do its best to accommodate all speakers who sign up, there is no guarantee

that all such individuals will be able to speak at any given meeting. If the number of speakers is

too large to be reasonably accommodated, the Chair may ask speakers to voluntarily combine their

- comments or submit them in writing to the School Board. Speakers are limited to one presentationper meeting.
- 79

80 Time Limitations

The Board allocates up at one hour for speakers at regular board meetings. The overall time allocation for Public Hearings is determined by the expected number of speakers and may be adjusted to ensure all speakers who sign up have the opportunity to be heard by the Board.

84

Speakers are typically allocated three minutes each to deliver their remarks. Speakers requiring accommodations including but not limited to, interpreters, speech & language difficulties, etc. where an interpreter is needed, will be allocated additional time necessary to support the accommodations. The Chair may adjust individual speaker time depending on how many individuals have signed up to speak at a particular meeting.

90

The Chair, with the assistance of the Clerk of the Board, monitors and enforces the time limitation and in doing so will promptly cut off speakers who have not concluded their remarks in the time allotted. A speaker who does not need the full time allotted may not yield unused time to anotherspeaker.

- 95
- 96

97 Addressing the School Board

98 Recognition is granted to one speaker at a time.

99

Speakers addressing the Board in person stand at a centrally located microphone and lectern and precede their remarks with their name and the topic on which they will be speaking. Speakers addressing the Board remotely via video conference use the "hand raise" function and wait to be recognized. Once recognized, speakers will precede their remarks with their name and the topic on which they will be speaking.

105

106 Comments should be addressed to the entire Board and not to individual Board Members, the 107 Superintendent, or other members of the audience. Since cumulative comments tend to prevent 108 other topics from being heard in a timely manner, speakers are encouraged to limit their comments 109 when indicating support for or opposition to a previously stated position. The Chair may conclude 110 comments from any speaker if the Chair determines the comments are cumulative or are 111 concerning inappropriate topics.

112

113 Decorum

Speakers, whether in person or via videoconference, are considered visitors and must follow ACPS policy including Policy KK – School Visitors. As visitors, speakers are extended the courtesy of the School Board and, in turn, speakers must respect the privilege extended by the Board by not disrupting the orderly conduct of the Board Meeting and are requested to model the attributes of

- high-quality civic discourse. Speakers must use commonly accepted rules of courtesy, respect,
- decorum, dignity, and good taste. The use of obscenity, vulgarity, or patently offensive language
- will be ruled out of order, as will words or statements which, from their usual construction and common acceptance, incite violence or breach of the peace. Speakers who repeatedly fail to
- comply with these standards of civic discourse may be required to provide their comments in
- 123 writing in lieu of the opportunity to present in person or via videoconference.
- 124

125 Inappropriate Topics

Public comment time at regular Board Meetings and public hearings are intended to allow the 126 community to address the Board regarding topics or subjects which relate to the operation of the 127 school division and are of public concern to the school community. For these reasons, and to ensure 128 the privacy of individuals, during the period reserved for public participation at meetings, the 129 Board does not allow public comments or complaints regarding individual students, individual 130 student disciplinary matters that are the subject of due process proceedings, matters involving 131 pending employee grievance proceedings or administrative hearings, or matters involving pending 132 litigation. After litigation, public comments on the situation may be shared, however student 133 information should still be confidential. These prohibitions are intended to protect student and staff 134 135 privacy, however parents may reference their own ACPS student but they may not reference any student that is not under their own legal care. 136
