Overview

Quarterly meetings between Alexandria City Public Schools (ACPS) and the Alexandria Police Department (APD) are required as part of the SLEP Memorandum of Understanding (June 2023). If there are any questions on this item, please contact the Department of Student Services and Equity.
- **Section II: Police Statistical Reports.** This information is in relation to the Calls for Service form; more details on this item noted later in this document.

This change in lexicon is due to APD’s alignment with the Department of Criminal Justice Services (DCJS) letter dated March 20, 2023. This letter describes the categories used in legislation aimed at collecting data on School Resource Officers and their actions with students (Use of Force, Physical Restraint, Detention, Arrest, and Referrals to Court Services).

This annual survey is a component of the school safety audit which school divisions are required to submit to the Virginia Center for School and Campus Safety, according to § 22.1-279.8.B of the Code of Virginia. This survey, conducted jointly by the Virginia Department of Education (VDOE) and the Virginia Department of Criminal Justice Services (DCJS) is available on the Safety & Security Services website “**School Climate Survey Reports**” tab.
