Enter or copy your comments into the box below:	<p>As a parent of three ACPS students, including a rising sixth grader next year and a current seventh grader—both in GW, I'm concerned and dismayed that there appear to be not plans or funding for a security vestibule or other similar entry security solution for GWMS.</p> <p>With the legacy of a mass shooting incident less than a 1/2 mi away at Simpson Field, this seems like a staggering oversight. I hope this critical security issue is immediately resolved from a funding and installation perspective.</p> <p>Thank you.</p>
