

Alexandria City Public Schools
Equity Conversations with the School Board
March 30, 2017

Meeting Results

By the end of the conversations participants will:

- Reexamine the ACPS 2020 Strategic Plan with an equity lens.
- Explore the cumulative effect of policies and practices that have served to advantage some groups and disadvantage others.
- Review key concepts of social justice:
 - Concepts of Whiteness in an American context
 - Intersectionality and its relationship to race
 - Microaggressions
 - Implicit bias
- Create a racially explicit vision statement for the future work of the School Board.

Essential Question

What will we do as a School Board to create equity in ACPS?

Guiding Questions

In what ways did the conversations inform our work?

Is there a need for a racially explicit process for the future work of the School Board?
