Alexandria school Board:

Though I appreciate that steps are being taken, there is no reason to delay renaming TC Williams high school. Another graduating class should not have to endure having a bigot on their diploma. FCPS was able to accomplish renaming Lee HS during the COVID crisis. Let them serve as an example to us about how quickly this important change can be accomplished.

Please vote to amend the motion in the following manner: INSERT: "I FURTHER MOVE, that as of December 31, 2020, T.C. Williams will no longer be the name of Alexandria's high school. As such, T.C. Williams shall not be considered as a name for the high school during the public engagement process outlined in Section 1, Regulation FF-R , nor shall it be included in the Superintendent's recommendations." Also, strike "in the spring of 2021" and insert "no later than December 31, 2020." Also, strike "to examine a name change for" and add "to change the name of."
