Please support the plan to created 15-mph school safety zones at all ACPS schools. Streets all over the US have become less safe during the past two years, with US annual fatalities increasing from a low of 33,000 in 2014 to 43,000 in 2021. Whether the cause of all this traffic violence, we cannot, in good conscience, ignore it. It is up to us as a community to respond.
