SUMMARY:

This memo provides an update of Community Use of Facilities for both November and December 2020. To provide context, non-essential use of all ACPS facilities was suspended as of March 13, 2020 (due to school closure in light of Covid-19). In November 2020, essential use of our facilities by Virtual Plus+ partners (childcare services) was permitted, as well as use of schools for the Alexandria Electoral Board (Presidential Election) and a Grab and Go Festival. In December, Virtual Plus+ partners were permitted to extend use and Alexandria Health Department's (AHD) Points of Distributions (POD) for COVID-19 vaccine distributions where activated.

No funding was collected for use of schools in November or December 2020.

BACKGROUND:

School Board Policy KG, Community Use of Facilities, requires the preparation and issuance of a monthly community use of facilities report. Monthly reports will provide an overview of both ACPS-related and non-ACPS related facilities use.

BOARD MEMO

RECOMMENDATION:

The Superintendent recommends that the School Board review and accept the November 2020 Community Use of Facilities monthly report.

IMPACT:

Use of our facilities has provided ACPS families onsite support during Virtual Plus+ learning period, in addition to contributing to reducing the spread of the coronavirus throughout the community.
