To: Potential Candidates for VSBA Regional Office

From: David Woodard, VSBA President
VSBA Board of Directors

Re: Process for the Nomination and Election of VSBA Regional Officers

According to the VSBA Bylaws, Article XII, Section 3, A Nominating Committee will be appointed by the Chair of each Region at or prior to its annual spring meeting in any year in which there will be a vacancy in an officer position. It will be the duty of this Committee to select a slate of nominees for the offices of Chair and Vice Chair. Members of the Nominating Committee will not be eligible for nomination to any regional position. The slate shall consist of no more than two candidates for each office and be presented to the membership at the next annual fall meeting of the region. Nominations may be made from the floor. By a majority vote of the member school board it should notify the Chair of the Region and the region member school boards of an intended floor nomination prior to the fall regional meeting. . . It shall be the duty of every candidate to provide a written nomination, approved by the candidate's school board, and a signed letter from the candidate confirming willingness to serve.

Please note that according to section 103.1, Board of Directors Composition, VSBA Operations Manual, **no member school board may have more than one person serve on the Board of Directors at the same time.** Goal 3 of the VSBA Strategic Plan is "[t]o increase engaged participation of member boards and stakeholders in all VSBA services and activities". To achieve that goal, the VSBA Board strives for 100% member board representation in governance activities. Also enclosed is section 102.5 of the VSBA Operations Manual, Civility in the VSBA nominating and election process.

The enclosed form, approved by the VSBA Board, complies with VSBA Bylaws requirements. Regional vice-chair candidates are not required to submit the pertinent biographical information unless they so desire. Persons who wish to be considered by their respective Regional Nominating Committee for the VSBA regional chair position must submit both the completed form and pertinent biographical information. **Since Regional Chair and Vice Chair positions are two year terms, Eastern, Southside, Southwest, and Valley regions do not have openings for the Chair positions in 2023.**

All candidates' information must be forwarded no later than two weeks prior to the fall regional meeting held at the VSBA Annual Convention in Williamsburg. The 2023 Regional Nominating Committees list is included. If you have any questions, please call your VSBA Regional Nominating Committee Chair.

Jacinta Greene

A native of Richmond, VA, Jacinta Greene is a proud graduate of Virginia Commonwealth University. Born into a family of educators, Ms. Greene learned early and firsthand the importance of a great education and the doors it can open for the future. Ms. Greene moved to Alexandria in 2002 and quickly became involved in community activism by serving as Vice President of the Alexandria Young Democrats and for 5 years served as Chair of Volunteer Coordination for the Alexandria Democratic Committee.

Ms. Greene spent 10 years in corporate America before venturing out on her own as an independent marketing consultant and meeting planner. Her main passion centers around advocacy for disadvantaged women, children and civil rights for all. This passion led her to the Alexandria Commission for Women, where she has served as a commissioner and First Vice Chair for 10 years. Ms. Greene also serves on the board for the Twelve Days of Christmas, Inc.-DC Chapter, a nonprofit organization that raises money for disadvantaged children in the DC Metro area. Other volunteer activities include serving as coordinator for the Ruby Tucker Readers organization, which teaches a love for reading and literacy to underserved children in Alexandria.

In 2018 Ms. Greene was elected to the Alexandria City School Board and takes pride in advocating for a quality and equitable education for all children in her beloved Alexandria, VA. The quote that Ms. Greene centers her life around is, "A hundred years from now, it will not matter what my bank account was, the sort of house I lived in, or the kind of car I drove, but the world may be different because I was important in the life of a child."

102.5 Civility in the VSBA nominating and election process

The Virginia School Boards Association is committed to a high level of civility, respect, and ethical behavior in the process leading to membership on the Board of Directors. While it is recognized that candidacy, nomination and election for any office, particularly within a large and diverse state association, has an important political dimension, all will benefit if the process is characterized by ethical and civil behavior. Additionally, all involved in the process must strive to avoid even the appearance of impropriety.

A. Candidates

1. It is not appropriate for candidates seeking endorsement by the Nominating Committee to lobby (via phone, fax, E-mail, letter, or other communication) members of the Nominating Committee.
2. Candidates should not solicit letters of endorsement from members of the Nominating Committee.
3. Candidates should not defame through misinformation, gossip, or innuendo any other candidate in order to advance his/her position at the expense of another.

B. Members of the State and Regional Nominating Committees

1. Nominating Committee members should not submit letters of endorsement for candidates.

2. Members of Nominating Committees should not lobby or otherwise seek to influence other committee members on behalf of a particular candidate outside of the committee process. This neutrality includes a prohibition against directly or indirectly trying to influence the votes of Delegates on the day of the Delegate Assembly. This section does not apply to advocacy for oneself.
 2. The Chair of the VSBA Delegate Assembly Credentials Committee will assure that anyone who violates this neutrality standard is reported to the VSBA President, who will have the authority to have a violator excluded from the Delegate Assembly.
