Attendance Zone School - The school a student is designated to attend according to their residency address and the ACPS School Board-approved school attendance zones.

Capacity Reassignments - Reassignments made due to specific grade levels reaching capacity at the student's attendance zone school. Transportation is provided for all capacity reassignments.

Programmatic Transfer - Transfers to opt in or out of ACPS designated school programs according to the specific opt in or out rules of the program. Transportation is provided for programmatic transfers.

Sibling Rule - Siblings of current students will be allowed to enroll in the school that their sibling attends even if class size caps are exceeded. With the exception of the dual-language programmatic transfers, once the older sibling transitions to the next level of schooling, the younger sibling will return to their attendance zone school.
