

# **Safety Issues at Patrick Henry Elementary School on Taney Ave.**

Presented by: Candace Lewis [REDACTED] or [Candace.M.Lewis@gmail.com](mailto:Candace.M.Lewis@gmail.com)

## **Inoperable Exterior Lighting**

The exterior lights surrounding Patrick Henry Elementary School have not functioned last year or this year. There are also several poles in the parking lot that do not have a bulb or globe. This is a major safety concern as it is very dark when picking up my son from the after-care program at the school or when attending PTA meetings and after-school functions.

## **Crossing Guard Needed**

A crossing guard is needed at the intersection of Taney & Howard. There is a cross-walk but there is no stop sign or stop light. There is also a hill that makes it nearly impossible for drivers to see anyone crossing creating a major safety issue for any children walking to or from school.
