

Follow-Up, Weapons Abatement Proposal

School Board Meeting
February 16, 2023

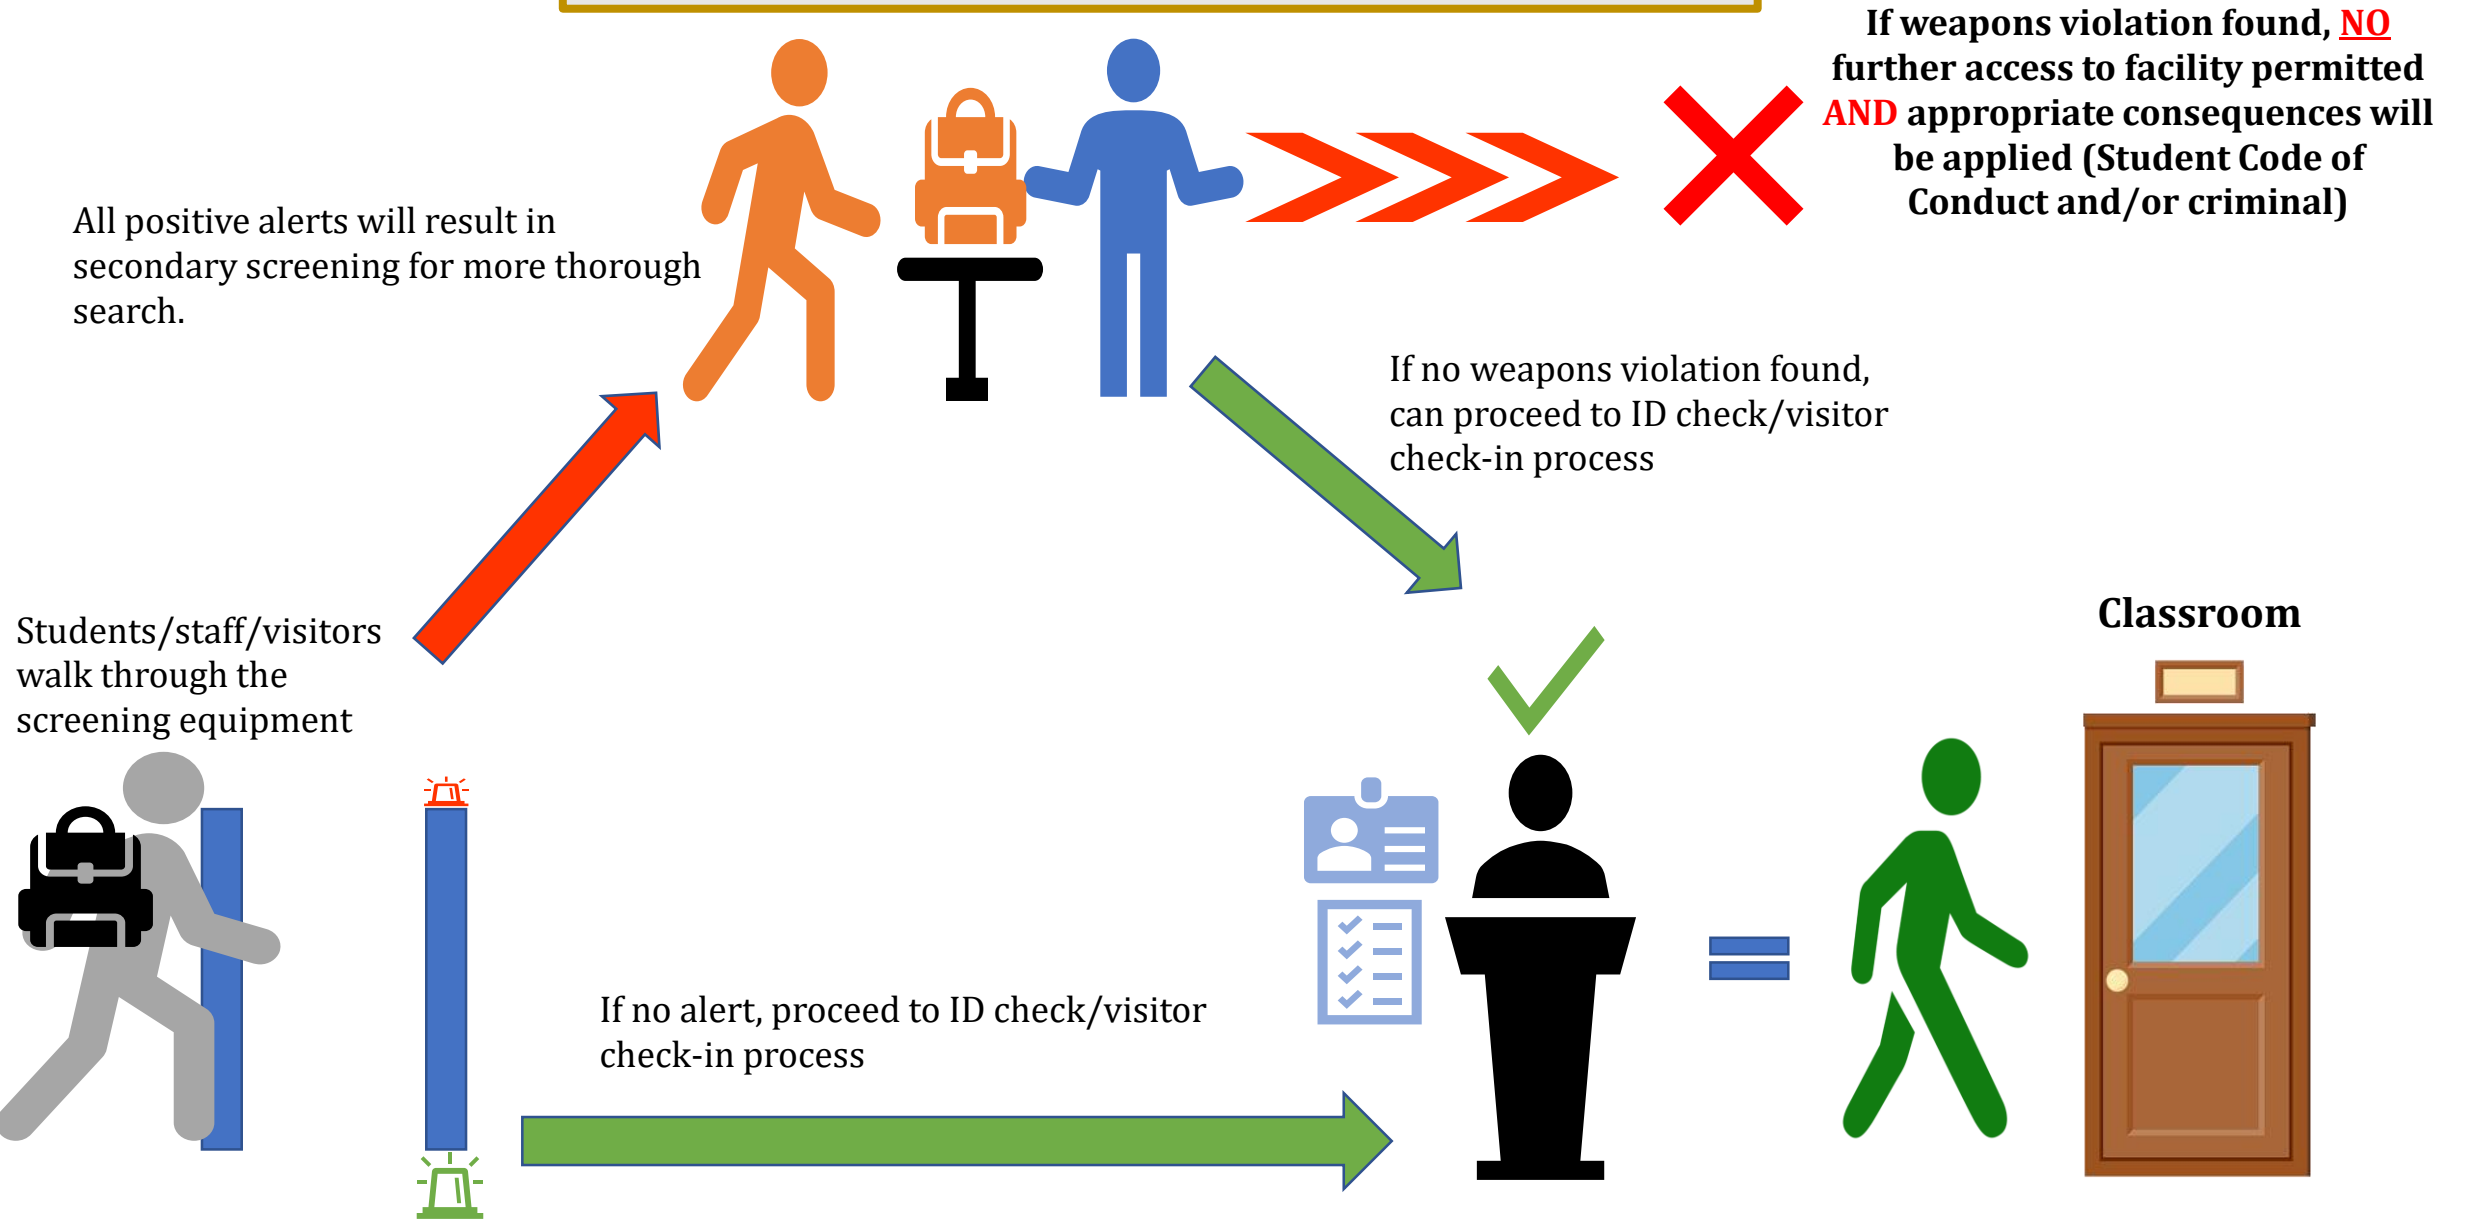

Essential Questions

- What is the proposed process for weapons abatement screening?
- Where would we likely pilot weapons abatement?
- How would we pay for the pilot program?
- What will the engagement process look like?

General Weapons Abatement Screening Process

General Weapons Abatement Screening Process

If weapons violation found, **NO** further access to facility permitted **AND** appropriate consequences will be applied (Student Code of Conduct and/or criminal)

All positive alerts will result in secondary screening for more thorough search.

If no weapons violation found, can proceed to ID check/visitor check-in process

Students/staff/visitors walk through the screening equipment

If no alert, proceed to ID check/visitor check-in process

Classroom

Suggested Pilot Locations

High School Campuses (ACHS King Street and Minnie Howard Campuses)

Middle School Campuses

- Rationale behind pilot locations:
- Prevalence in which weapons have been found over past 3 semesters
 - Staffed with SSOs and SROs for additional support for administration
 - Volume of students and staff will allow greatest test of system process

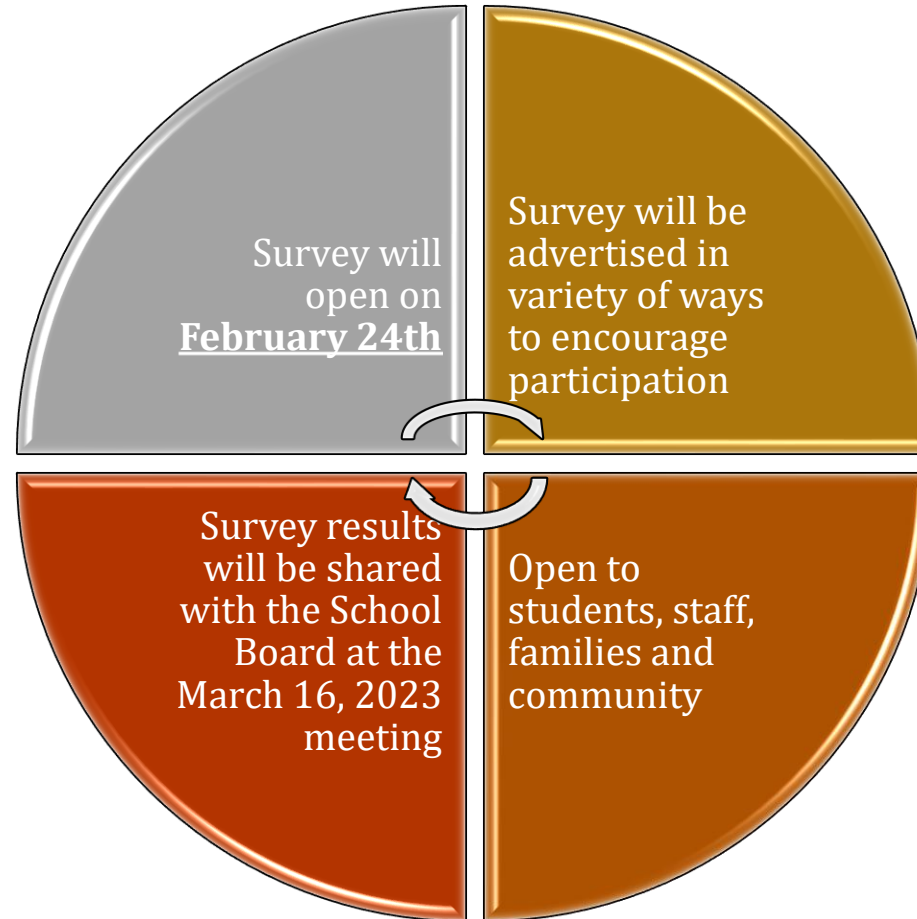

Approximate Cost for Equipment

- Affixed system: **\$60K** per unit
- Mobile system: **\$13K** per unit
- Likely to use both affixed and mobile systems in pilot
- Will fund pilot via Safety and Security CIP Funds

Upcoming Engagement Opportunity

Questions?

Dr. Alicia Hart, Chief of Facilities and Operations

John Contreras, Director of Safety and Security Services

**Carlton Gerald, Security and Emergency Operations
Coordinator**

Interim Superintendent

Dr. Melanie Kay-Wyatt
