BACKGROUND:

The Department of Teaching, Learning, and Leadership (TLL), Department of Student Services, and the Equity and Office of Communications staff, along with a team of administrators and counseling staff at the secondary level, worked to design and develop the proposed Program of Studies for the 2023–2024 school year. The team members worked with various school departments to solicit recommendations for course revisions, additions, and deletions that incorporated trends in student interest and demand.

Once the Program of Studies is approved, it will be published on the ACPS website in multiple languages for students, parents/guardians, and school staff to view at the end of January 2023.

RECOMMENDATION:

The Interim Superintendent recommends that the School Board review the proposed 2023–2024 Program of Studies.

IMPACT:

The adoption of the Program of Studies for 2023–2024 will affect secondary programming in the options students have for classes.
