Dear School Board,

I would like to commend ACHS for their current production of "Facing Our Truth: Trayvon, Race, and Privilege." The content of this play and the issues our high schoolers are facing remind us of how important it is to give our children voice to conversations about equity and inclusion in ACPS. The teachers and students who dedicated themselves to this play and leaned in to the work was amazing. I encourage you to see the play if you have not already. I thank Ms. Jones and Ms. Bachman for their courage and support of students.

Sincerely,

Erin Lee
