We want to share our amazing experience with the bilingual Dari/Pashto registrar at ACPS. Not only that she welcomed us in Dari she also immediately put us at ease as we were already nervous and very worried. It is not easy to come to a new country and do not speak their language. she has a lot of knowledge about schooling in Afghanistan and the school system in the US. If the bilingual Dari/Pashto registrar wasn't there it would have been impossible for us to communicate in English as no one in our family speaks English. We ask the school board to please reinstate this position for the Afghan students and their families.
