COVID-19 Cases

ACPS is seeing a **significant increase** in positive cases since the Thanksgiving break.

- Last week (December 6-13): 40 positive cases
- This week (December 14-16, 12:30PM): 52 positive cases
  - 30 positive cases reported for Wednesday, December 15th
  - 38 students and 14 staff cases

Please check your email and answer calls over winter break. We will continue to notify close contacts of COVID-19 cases over the break. Notice may come through an email since many families are traveling.

COVID-19 Screening Testing

- Continuing weekly testing at each school location with Curative

- Continuing discussions with VDH on the Virginia School Screening Testing for Assurance, known as ViSSTA
   - Planning with CIAN Diagnostics

COVID-19 Dashboard

- Real-time dashboard will be made available by mid-January

- Data reflected will include cases and close contact information starting December, 2021

- Case data prior to December 1 will be summarized on a separate webpage

ACPS Location	Number of Cases in December 2021^	Date(s) ACPS Notified of COVID-19 Case(s) in December 2021	Number of Cases Since March 1, 2021
Alexandria City High School King Street Campus	8	Dec. 3, 2021 (2) Dec. 6, 2021 (2) Dec. 9, 2021 Dec. 13, 2021 (3)	42

Safety Reminders

- Follow CDC travel precautions over break.
    - Wear a mask indoors during travel.
    - Consider making an appointment at Curative.com in Alexandria for free COVID-19 testing following your return from travel.
    - Consider getting vaccinated or receiving a booster if eligible.
- Have a care plan in place if your student has to stay home for any reason on short notice.
- Make sure your student is bringing home their device, charger, and instructional materials daily.
- ***Please stay home when feeling unwell.***
