**SUMMARY**

*The Enhanced Continuity of Learning Plan 5.0: Reimagining Schools was presented to the School Board on Thursday, October 15, 2020. Based on our commitment to providing regular communication to the School Board and Alexandria community, we have prepared this presentation to focus on the following areas: **inputs and health data guidance; revised 5.0 Phased Reentry Timeline; staff return-to-school and vaccination data; availability of classroom monitors and hallway monitors; Re-Ignite Mondays; and transportation updates.***

**RECOMMENDATION**

The Superintendent recommends the School Board review the updates pertaining to the reopening of schools related to specific school operations.

**IMPACT**

ACPS will implement a plan contingent upon community transmission metrics, staffing, and building capacity to ensure that all students and staff are healthy, safe, and engaged during the reopening of our school buildings while following required health and sanitation procedures from the *Alexandria Health Department (AHD), the Centers for Disease Control and Prevention (CDC), and the Virginia Department of Health (VDH)*. This plan also ensures that all students
