Improving Customer Relationship Services and Management
Communications and Customer Service for Internal Stakeholders

SUMMARY:

This presentation provides an update on COVID-19 mitigating strategies. This presentation includes COVID-19 data including community level and transmission, current masking guidance, updated CDC metrics and other areas.

BACKGROUND:

The City of Alexandria remains at a substantial level of community transmission and low level based on the CDC’s new COVID-19 Community Level metrics. As ACPS is committed to five-days a week of in-person learning, health and safety measures continue to be implemented to ensure the health and safety of all staff and students.

RECOMMENDATION:

The Superintendent recommends that the School Board review the COVID-19 update.

BOARD MEMO

IMPACT:

This review safeguards the public health of the school division by establishing a health monitoring requirement for students.
