ANNUAL PLAN/PART B FLOW-THROUGH APPLICATION PROCESS

All local educational agencies (LEAs), which include local school divisions, state-operated programs (SOPs), and the Virginia School for the Deaf and the Blind (VSDB), are required to establish their eligibility to receive funding under the Individuals with Disabilities Education Improvement Act of 2004 (IDEA). IDEA, at 20 USC § 1413(a)(1), and its federal implementing regulations, at 34 CFR § 300.201, require that each LEA, in providing for the education of children with disabilities within its jurisdiction, has in effect policies, procedures, and programs that are consistent with the Virginia Department of Education's (VDOE's) policies and procedures, which have been established in accordance with the IDEA. This Annual Plan/Part B Flow-Through Application is a component of the VDOE's overall responsibility to ensure each LEA's compliance with the implementation of the requirements of IDEA and its federal implementing regulations. Links to the 2006 federal IDEA implementing regulations and the April 2007 and December 2008 revisions to the federal regulations are available online at:

Please refer also to the information outlined below, and the Superintendent's Memorandum No. 319-21, dated December 3, 2021 for additional information and contact assistance.

A. Submission of the Annual Plan/Part B Flow-Through Application using the OMEGA System:

Each LEA must submit its Annual Plan/Part B Flow-Through Application using the Online Management of Grant Awards (OMEGA) System. LEAs are requested to use the sequence of activities outlined below when completing and submitting their Annual Plan/Part B Flow-Through Application for approval. For LEAs to be eligible to receive Part B funds the following components are required: Excess Costs and Maintenance of Effort (MOE). Information will be collected concerning Excess Costs using an automated Web-based application. Projected Maintenance of Effort information will be collected within this application.

1. Verify completion of an "OMEGA User Permission Form OP1" - An OP1 Form must be on file with the VDOE's Fiscal Services Office for each person in the LEA's OMEGA approval queue for applications for Sections 611 or 619 funding. If your LEA has previously submitted an OP1 Form and has been granted permission for each individual in the approval queue to either "Create/Cancel," or to "Approve/Deny" an "Application Request" for "Section 611" and "Section 619," then you are not required to submit new OP1 Forms. However, if there are new staff members participating in the approval queue, please verify that an OP1 form, requesting the appropriate permissions, has been filed with the VDOE's Fiscal Services Office.

Instructions for completing the OP1 Form and online training opportunities are available online at:

http://www.doe.virginia.gov/school_finance/budget/grants_acct_reporting/omega/

Virginia Department of Education
Fiscal Services Office
P.O. Box 2120
Richmond, Virginia 23218-2120

Additional assistance regarding the OP1 Form may be obtained by telephone at (804) 371-0993 or by e-mail at:

omega.support@doe.virginia.gov

NOTE: If you are not a current user of the VDOE's Single Sign-on for Web Applications Systems (SSWS) portal, prior to submitting an OMEGA user permission form to VDOE, you must contact your local SSWS Coordinator, who will establish an SSWS "user logon" and access to OMEGA.

2. After completing all tabs below, the Annual Plan/Part B Flow-Through Application must be reviewed by the school division's local special education advisory committee, and approved by the school board prior to submission via OMEGA to VDOE for review and approval.
3. OMEGA Data Submission - Once the LEA's electronic 2022-2023 Annual Plan/Part B Flow-Through Application has been reviewed and approved, as outlined in Step 2 above, LEAs are requested to do the following:
 - a. Log in to the Virginia Department of Education's SSWS at the following Web site (NOTE: The website suffix is "do" rather than "doe").
<https://p1pe.doe.virginia.gov/ssws/login.page.do>
 - b. Select the Application Name "Online Management of Education Grant Awards - OMEGA."
 - c. On the left side of the OMEGA home page is a column entitled, "I want to...." From that list, select "Submit an application." That will bring up OMEGA's "Application Request Page."
 - d. On the "Application Request Page," the first step is to "Choose the Award Year." This will be **2022**.
 - e. The next question is "Do you wish to submit a consolidated application?" The answer is "**Yes**." (Please note that failure to select "Yes" may delay approval of your Annual Plan/Part B Flow-Through Application.)
 - f. Choose the Project Groups - If your LEA is applying for both Section 611 and Section 619 funding, then in OMEGA, under "Choose the Project Groups," select BOTH "IDEA Part B Section 611 Special Education" and "IDEA Part B Section 619 – Special Education Preschool" as part of the SAME consolidated application. However, if Section 611 is the ONLY funding stream for which your LEA is applying, under "Choose the Project Groups," select ONLY "IDEA Part B Section 611 Special Education."

NOTE: If you currently use OMEGA to submit ESSA applications, those funding streams may appear under "Choose the Project Group." Please be careful to select only the IDEA Part B selections, which are applicable to your Annual Plan/Part B Flow-Through Application.

- g. The next step is to "Browse." Selecting "Browse" will allow you to locate and attach the Excel file containing your saved, completed 2022-2023 Annual Plan/Part B Flow-Through Application.
 - h. Once the file containing the Excel spreadsheet has been attached, select "Go to Submit" from the options at the bottom of the screen. This will bring up a "Confirmation Page." The "Confirmation Page" will allow you to ensure that the file you uploaded is the appropriate file, and that you selected the appropriate "Project Group(s)." Once you have verified that the information is ready for submission, select "Submit Request."
 - i. Once the OMEGA application is submitted, it will be routed to the individual(s) within the LEA, who are authorized to approve OMEGA applications, and it will appear in the approvers' OMEGA "To Do List." The application must be approved by each required LEA-level approver before it will be submitted via OMEGA to VDOE for review. At a minimum, at the LEA level, the OMEGA application must be approved by the individual authorized to provide "Level 4" approval, typically the Superintendent or other authorized designee.
4. To ensure a timely approval process, the electronic 2022-2023 Annual Plan/Part B Flow-Through Application must be uploaded via OMEGA, and all LEA-level approvals must be completed no later than May 13, 2022.

C. Local Policies and Procedures:

Each LEA must provide assurances via its Annual Plan/Part B Flow-Through Application that its local policies and procedures are in compliance with the requirements of, and any revisions to, the IDEA, its federal implementing regulations, and Virginia's state special education regulations. Approval of the electronic Annual Plan/Part B Flow-Through Application in OMEGA by the LEA's Level 4 approver serves as that assurance. Thus, LEAs are not required to submit copies of their local policies and procedures, or revisions to those policies and procedures to the VDOE. Nonetheless, LEAs are reminded that revisions to local special education policies and procedures must be approved by school boards for school divisions, or the Board of Visitors for the VSDB. State-operated programs must submit revisions to policies and procedures to the State Special Education Advisory Committee for review. A guidance document that provides technical assistance regarding those areas in which LEAs are required to have local special education policies and procedures is available online at:

http://www.doe.virginia.gov/special_ed/regulations/state/developing_local_policies_procedures_guidance.pdf

D. Private School Set-Aside Requirements:

Approval of the electronic Annual Plan/Part B Flow-Through Application in OMEGA by the LEA's Level 4 approver will provide assurance that each school division will comply with the 2006 federal IDEA implementing regulations regarding parentally-placed private school students, at 34 CFR 300.129 to 300.144. and Virginia's special education regulations at 8 VAC 20-81-150 C. Nonetheless, each school division will be required to submit information demonstrating compliance with its proportionate set-aside (PSA) share of its Section 611 and Section 619 subgrant to provide services to the population. This information is subject to review and public disclosure. Preliminary PSA amounts should be included within this annual plan.

Upon notification of its grant award, each school division must calculate the proportionate share amounts from its 611 and 619 subgrants to be spent on parentally-placed private school students. These calculations will be submitted to the VDOE using the online Spec-ed PSA application. If set-aside funds received in accordance with the 2022-2023 Annual Plan/Part B Flow-Through Application are not spent by the end of the 2022-2023 fiscal year, any remaining funds must be obligated for one additional year to provide special education and related services to children with disabilities who are parentally placed in a private school or are home schooled, and may not be used for other purposes. The PSA funds may be reallocated for other allowable uses after June 30, 2024. Note: A web-based application will be used to submit the information to the VDOE. Additionally, school divisions will identify these expenditures in OMEGA.

E. Excess Costs and Maintenance of Effort Requirements:

Each school division must comply with requirement provisions of the 2006 federal IDEA implementing regulations, and the Virginia Regulations, at 8 VAC 20-81-260 B and C. These local records are subject to review and public disclosure, including in the event of a financial audit, or if an applicable state complaint or due process action is filed. Each school division will use the new web-based Excess Costs application to submit information to the VDOE to complete its Excess Cost calculations. The federal mandates regarding Maintenance of Effort are in the federal IDEA implementing regulations, at §§ 300.154(g)(2), and 300.203-300.205. Preliminary Maintenance of Effort information is to be included with this annual plan. The Level 4 (Superintendent or Authorized Designee) approval will ensure compliance with Excess Costs and Maintenance of Effort requirements.

F. Section 611 and Section 619 Grant Applications:

Grant awards will be issued upon receipt of funds from the U.S. Department of Education (USED) and the VDOE approval of the LEA's Annual Plan/Part B Flow-Through Application. Awards will be made upon a determination that the LEA has met all eligibility requirements of IDEA. The amount of funds to be allocated to your LEA is based on a formula specified by the IDEA.

Additional Tips:

- **Required components:** In order for your LEA to receive funding under Part B of IDEA, all sections of this application must be completed in accordance with federal and state funding requirements. (LEAs not applying for Section 619 funding are not required to complete the tab entitled, "Section 619.")
- **Application Signature:** Approval by the LEA's Level 4 approver of this Annual Plan/Part B Flow-Through Application in OMEGA serves as an electronic signature for purposes of applying for federal funds.
- **Contact Information:** Please ensure the "Contact Person" identified in the application is available during the summer.

- **Proposed Budget:** We recommend that you base your 2022-2023 proposed budget, for both Section 611 and Section 619, on the LEA's 2021-2022 grant award for each funding stream, as specified in Superintendent's Memorandums #198-21 dated July 23, 2021. Please review both the proposed budget and the narrative budget description to ensure consistency.
- **Personnel:** For personnel to be paid from project funds, please clearly indicate percentages of salaries (FTEs) to be covered by Part B funds. For personnel who do not spend 100 percent of their time serving children with disabilities, only the amount of time (i.e., percentage of salary and fixed charges) spent serving children with disabilities may be charged to Part B funds. When employees are expected to work on a single Federal award or cost objective, the LEA must ensure that a semi-annual certification is made supporting the employees' salaries and wages. When employees are expected to work on multiple projects the LEA must ensure that a monthly certification is made supporting the employee's salaries and wages.
- **Equipment Purchases:** Approval for specific items of equipment is required for items costing \$5,000 or more. You must obtain approval of each equipment item prior to purchase. For items not included in this application, approval must be obtained prior to purchase in accordance with the policies and procedures in effect at that time. School divisions are expected to maintain an inventory of purchases costing less than \$5,000 for items such as I-pads, computers, smartboards, library reference books, etc.
- **Indirect Costs:** Applicants are encouraged to consider budgeting for "indirect costs" (restricted rate). Please consult with your LEAs chief financial officer for information pertinent to indirect costs and the restricted cost rate(s) computed for your LEA.
- **Equipment/Travel:** Where equipment items and/or travel details are not known at the time this application is submitted, applicants may budget for equipment and travel and shall seek specific prior approval at a later date (prior to purchase or out-of-state travel).
- **Capital Outlay:** Proposed expenditures for capital outlay, object code 8000, must be itemized. These items would normally cost at least \$5,000 per item.
- **Amendments:** Once the VDOE receives a federal grant award for Sections 611 and 619 funding, each LEA whose Annual Plan/Part B Flow-Through Application has been received in substantially approvable form, and which continues to meet the eligibility requirements of Part B of IDEA, will receive sub-grant awards in accordance with federal and state funding requirements. The amount of the sub-grant awards will be published in a Superintendent's Memorandum, and posted in OMEGA. It is anticipated that the LEA's sub-grant award may differ from the proposed 611 or 619 budget amount submitted as part of the LEA's Annual Plan/Part B Flow-Through Application. If so, the amount of the discrepancy will appear in OMEGA under Object Code 0000. Select "Change my object code budget" to reallocate any funds in Object Code 0000 between the remaining Object Codes. The LEA is not required to submit a revised Annual Plan/Part B Flow-Through Application to the VDOE via OMEGA to make this adjustment.

Following approval of the LEA's Annual Plan/Part B Flow-Through Application, if the LEA proposes to spend IDEA Part B funds differently than outlined in its Annual Plan/Part B Flow-Through Application, the amendment process will differ depending on the type of amendment requested. To make a change to a proposed expenditure within the same object code, please send an e-mail message to the appropriate contact for the funding stream to be amended, outlining the proposed amendment. VDOE staff will review the proposed change and notify you regarding whether or not it is approved or denied. To make a change to a proposed expenditure between object codes, transfer the funds using "Change my object code budget" in OMEGA, and insert a "justification" in the comment box. The justification will be reviewed by VDOE staff, who will then either approve or deny the request via OMEGA. **Note that both amendment processes require VDOE approval of proposed expenditure changes, prior to the purchase of goods or services.** The LEA is not required to submit a revised Annual Plan/Part B Flow-Through Application to the VDOE via OMEGA to request an amendment.

- **Reimbursements:** The VDOE is responsible for assuring that federal special education funds are used in accordance with all applicable federal and state requirements. Thus, reimbursement requests will be monitored closely to ensure compliance with such requirements. If you have any questions about the appropriateness of a proposed use of these funds, please contact either Denise Lawus for Section 611 or Samantha Tansey or Denise Lawus for Section 619. Their contact information is identified in section B above.
- **Technical Assistance Documents:** Additional technical assistance information regarding completion of the Annual Plan/Part B Flow-Through Application is available on the VDOE's website at:

http://www.doe.virginia.gov/special_ed/grants_funding/lea_annual_plan/object_codes.pdf

These documents provide guidance regarding object codes and the types of expenditures to be included under each object code, and suggestions for the appropriate use of early childhood special education funds.

**IDENTIFICATION OF BARRIERS AND DESCRIPTIONS OF

WITH PROVISIONS IN SECTION 427 OF
THE GENERAL EDUCATION PROVISIONS ACT**

Applicants for federal assistance are required under Section 427 of the General Education Provisions Act (GEPA), enacted as a part of the Improving America's Schools Act of 1994 (P.L. 103-382) to include in its application a description of the steps in addressing equity concerns and full participation of students, teachers and other program beneficiaries with special needs in designing their federally-assisted projects or activities. The legislation highlights six characteristics that describe broad categories of persons or groups that may more frequently encounter barriers to participation. **REPORT ON IMPLEMENTATION
OF THE 2020-2021 ANNUAL PLAN**

Submit a report indicating the extent to which the annual plan for the 2020-2021 school year has been implemented (*Code of Virginia*, Section 22.1-215). (Maximum capacity of each text box is 975 characters.)

The activities for the 2021-2022 IDEA grant are on schedule to be fully implemented by 30 June 2022. While the majority of services returned to in person delivery, the provision of some services remained in a virtual format. Funds were used to cover both Central Office Administrative and Instructional Support positions as well as school based positions. Special Education services across the continuum, from pre-school to post secondary transition programs, were supported. In order to enhance teaching and learning, focus areas continue to be co-teaching, use of specially designed instructional strategies and targeted academic intervention programs coupled with ongoing progress monitoring. A new position of Transition Coordinator resulted in an increased focus on transition services and the implementation of a targeted curriculum for secondary students. These initiative areas continue to be the focus of the work carried out by the Office of Specialized Instruction. Coaching and modeling of effective co-teaching continues as well. As customized professional development was provided to teachers of students in city-wide programs in order to enhance their practices.

Maintenance of Effort

The Virginia Department of Education (VDOE) is required by federal regulation to ensure all school divisions in Virginia comply with §300.203 of the Individuals with Disabilities Education Act (IDEA), which mandates that school divisions meet a maintenance of effort (MOE) obligation. This regulation requires school divisions to spend at least the same amount from at least one of the following sources: (i) local funds; (ii) state plus local funds; (iii) local per capita; or (iv) state plus local per capita for a current school year on the delivery of special education and related services, as were spent for the most recent fiscal year (i.e.g, 2020 - 2021) for which the information is available, subject to the Subsequent Years rule.

34 CFR §300.203(a) requires that in order for an LEA to be eligible for an IDEA Part B subgrant for the upcoming fiscal year, the LEA must budget, in each subsequent year, at least the same amount that it actually spent for the education of children with disabilities in the most recent fiscal year for which information is available, subject to the Subsequent Years rule. When establishing eligibility, an LEA is **not** required to use the same method it used to meet compliance standard in the most recent fiscal year for which the information is available. An LEA can change methods to establish eligibility from one year to the next, as long as the division uses the same method for calculating the amount it spent in the comparison year for which it is establishing eligibility.

Provide the total local and the total state plus local expenditure budget and per capita amount for the school division's total special education program for the years designated below. The projected/estimated expenditure budget amounts provided must come from the district's 2022-2023 preliminary budget, and must be reviewed and confirmed by the division's fiscal's office.

Local		Local plus State	
	School Year 2022-2023 (estimated/projected)		School Year 2022-2023 (estimated/projected)
Dollar \$	30,105,218.00	Dollar \$	32,450,706.00
	School Year 2022-2023 (estimated/projected)		School Year 2022-2023 (estimated/projected)
Per Capita	31,482,478.00	Per Capita	33,171,078.00

If an LEA determines that the budget above did not meet the eligibility standard in any of the four methods for which the information is available, an LEA is allowed to consider Exceptions under §300.204 and Adjustments to MOE under §300.205 to the extent the information is available. These exceptions and adjustments must also be taken in the intervening year (i.e., SY2021-2022) and that the LEA reasonably expect to take these exceptions and adjustments in the year it is budgeting (i.e., SY2022-2023). Please describe which allowable exceptions will be used and provide the corresponding dollar amount. For additional guidance, refer to:

http://www.doe.virginia.gov/special_ed/grants_funding/index.shtml

NOTE: The Dec. 1, 2021 Child Count totals should be used to compute the per capita amounts. The Child Count should be adjusted to exclude students funded through CSA. Also, the budgeted amount must be based on the divisions's preliminary budget and must be within the same level of effort or higher amount to meet the MOE eligibility requirements by using either dollar or per capita amounts. Division's budgeting the same exact amount it spent in the comparable year (i.e., the year it met its MOE requirement) may be requested to provide additional documentation.

2022-2023 SPECIAL EDUCATION CEIS AND PROPORTIONATE SET ASIDE

Each local school division shall ensure Comprehensive Coordinated Early Intervening Services and Coordinated Early Intervening Services and Proportionate Set-aside requirements have been addressed.

Is your school division required to set aside 15% for Comprehensive Coordinated Early Intervening Services or voluntarily setting aside upto 15% of Part B funds for Coordinated Early Intervening Services?

yes

If yes, provide a brief narrative of how funds will be used. An information packet requesting additional information will be sent at a later time.

Is your school division required to set aside funds for parentally-placed students in private schools or students identified during child find?
