TOPIC: **Patrick Henry School Feasibility Study**

BACKGROUND:

The attached feasibility study and slide show presentation provides information regarding a new or renovated Patrick Henry PreK to 8 School. This document contains an existing site and building analysis as well as an architectural program. In addition, the study provides a description and analysis of four masterplan options including building systems and project costs. Finally, the study concludes with a comparison of the options, recommendations for moving forward with next steps, and an appendix with supporting documentation.
